

### **2016-2017 Club Rules**

1. Members can only apply for 1 match ticket per member and they must be attending the match themselves. Any member who applies for a match ticket in their own name and then passes their ticket onto another member or a non member shall have their membership cancelled and will be barred from the club.
2. Members can only apply for a match ticket 8 weeks before a game and there will be a 4 week cut off point for applications depending on availability.  
If there is more demand for tickets than what we can supply the committee shall refer to the attendance book and the members with the highest attendance will get the tickets.  
(This rule will also apply for club trips. i.e. if there are limited spaces on a trip the members with the highest attendance will be given priority for the trip)  
If after the 4 week cut off point there are still tickets outstanding these tickets can be offered to non-members at an extra cost of €25 per adult and €10 per child.  
The extra cost incurred will pay for membership into the club.
3. A deposit of €20 will be required when applying for a match ticket and a deposit of €50 will be required when applying for a club trip. All balances due on tickets or club trips must be paid in full one week prior to the match/trip.  
Please note a deposit does not guarantee a match ticket/club trip as not all ticket request by the club are successful. Deposits are non refundable except in extreme circumstances or in the case where the club cannot provide the ticket/club trip.
4. Ticket/club trip requests can only be made on match days in Mc Garry's or at club meetings. All monies relating to deposits, memberships, tickets etc. must only be given to committee members on match days or at meetings. No monies will be accepted outside of these times and it is not acceptable for members to contact the committee on their personal phones or to call into their work place to pay deposits or query tickets etc. This will not be tolerated under any circumstances.
